

Case Manager – Targeted Outreach For Pregnant Women (TOPWA)

Families First is recruiting for the full time position of HIV/AIDS Case Manager for our TOPWA (Targeted Outreach for Pregnant Woman Act) Program. The client base will be pregnant HIV + moms residing in Palm Beach County, including the Glades and Pahokee areas.

SUMMARY:

The case manager will perform comprehensive case management to HIV + pregnant moms in Palm Beach County. This position is responsible for providing integrated and continual care treatment. The case manager must also stay in constant contact with the perinatal services division at Florida Health. The case manager will connect HIV + pregnant moms to both health and social services, required to maintain stability for the HIV + mom and family. The goal is to ensure that HIV transmission does not occur between baby and mom during pregnancy or through delivery. The case manager will conduct outreach, home visits, and follow-ups accordingly, prenatally and post, ensuring compliance with medical care and treatment plans. The case manager will then report the findings confidentially and accordingly and is also expected to attend community related HIV/AIDS events.

MINIMUM REQUIREMENTS:

- Bi-lingual required; specifically Creole/ Tri-lingual preferred (Creole and Spanish)
- Proficient in the written and oral use of English
- Able to work flexible hours, including nights and weekends
- Basic knowledge of HIV/AIDS

CORE COMPETENCIES:

- The ability to assess situational, psychological, and physical barriers impacting the client.
- Knowledge of community resources, and levels of care within the community.
- The ability to coordinate and navigate services, and follow through to delivery.
- Culturally competent and sensitive.

EDUCATION & EXPERIENCE:

- BA/BS in Social Work or equivalent degree in related field
- Minimum two to three years related experience

Benefits include: 401K, health, dental, generous PTO,
